Ymman Jake Biaco Nung 2012 sa TV5, they used to air Pinoy classic movies every weekend midnight, more particular kina Erap at Niño Muhlach. Naaalala kong pelikula ni Mayor Erap yung 'Mamang Sorbetero' alongside Celeste Legaspi.

Simula ngayong Linggo (Oct 4), mapapanood na kada weekend sa CineMo nang walang commercial break ang bagong lunsad na “FPJ’s Ang Probinsyano” na pinagbibidahan ni Coco Martin. Ipapalabas ito kada Linggo sa loob ng dalawa’t kalahating oras mula 2PM hanggang 4:30PM.

Todo-todo rin ang saya at katatawanan tuwing Linggo sa re-run ng comedy search ng “It’s Showtime” sa “Funny One More Taym,” 1PM, at ng “Mga Kwento ni Marc Logan,” 4:30PM.

Handog naman ng ABS-CBN TVplus sa “FPJ: Hari ng Aksyon” movie block nito tuwing Sabado, 7PM ang hindi makakalimutang obra ng nag-iisang Da King na si Fernando Poe Jr. na “Kalibre .45” (Oct 3), “Asedillo” (Oct 10), “Karnabal” (Oct 17), “Roman Rapido” (Oct 24), at “Alupihang Dagat” (Oct 31).

Tuloy-tuloy rin ngayong Oktubre ang maaksyong Sabado sa “Binoe’s Best,” 5PM sa “Sa Diyos Lang Ako Susuko” (Oct 3), “Oops Teka Lang Diskarte Ko ‘To” (Oct 10), “Tulak ng Bibig, Kabig ng Dibdib” (Oct 17), “Grease Gun Gang” (Oct 24), at “Bad Boy 1” (Oct 31).

Hindi naman magpapahuli ang “Dolphy: Hari ng Comedy” tuwing Linggo, 5PM sa mga handog nitong pelikula na “Dancing Master 2” (Oct 4), “Espadang Patpat” (Oct 11), “Kalabog En Bosyo” (Oct 18), at “Dobol Trobol” (Oct 25).

Bukod kina daddy at kuya, siguradong tututukan din ng mga bata ang mga bagong handog ng Yey! na katutuwaan at kapupulutan nila ng aral.

Mapapanood na ang “Teenage Mutant Ninja Turtles” simula ngayong Sabado (Oct 10), 9:30AM na may replays tuwing 1:30PM. Mayroon naman itong regular weekend marathon tuwing Sabado mula 8:30 hanggang 10:30AM, at replays tuwing 12:30PM.

Sundan ang mga adventure sa “Superbook Re-imagined” tuwing Lunes, Miyerkules, at Biyernes simula Oktubre 12, 6AM na may replays tuwing 10:30AM. Samahan naman si “Remi” sa mga pagsubok na kanyang pagdadaan sa paghahanap sa kanyang tunay na pamilya sa parehong mga araw tuwing 6:30AM, na may replays tuwing 11AM.

Muli ring mapapanood kada weekend ang kusinaserye kung saan bida ang mga bata sa “Junior MasterChef” kasama si Judy Ann Santos-Agoncillo simula ngayong Sabado (Oct 3), 3PM.

[October 2 at 6:53pm](#) · [Edited](#)

Today is my last day as an ABS-CBN reporter. After seven years in my first job, I am embarking on a new adventure.

Working at ABS-CBN News was a dream come true. As an aspiring journalist many years ago, I had never wanted to work anywhere else. Resigning, then, was one of the hardest decisions I have ever made.

ABS-CBN gave me not only the chance to live my passion for telling stories, but also the platforms to let my stories reach a big audience and make an impact. I feel honoured to have covered two elections, major Senate investigations, the passage of landmark laws, an impeachment trial, and international stories for ABS-CBN.

I also feel privileged to have worked with some of the industry's best, in a newsroom that values merit above all else. Having journalists I respect and look up to as colleagues inspired me to constantly improve my skills. Many of my ABS-CBN colleagues have become my closest friends, people I will miss terribly.

I was a new graduate when ABS-CBN hired me in 2008, young, inexperienced, unsure if I would make it in this industry. But because the company believed in me and gave me countless opportunities to grow, I became competent, confident, and always hungry to make something of myself.

Leaving ABS-CBN is difficult, but I realised now is the time to take risks, to do things I have never done before, and to expand my horizons.

I look forward to my first foray into international news in a city with an increasing importance in global affairs: Beijing.

Thank you for seven beautiful years, ABS-CBN. Now for the last time, let me say: Ryan Chua, ABS-CBN News.

MAY MATUTUNAN BA TAYONG VALUES SA PAGPAPANOOD KAY ALDUB?

Laman na ata halos ng Facebook, Twitter, Instagram, TV, Radyo, at mapa-dyaryo ang tambalang Alden Richards at Maine Mendoza (aka Yaya Dub) o mas kilala natin sa screen name na "AIDub" bilang mga bida sa Kalyeserye ng Eat Bulaga.

Sino nga ba sila at paano nila nahuli ang loob at kiliti ng bawat bata, matanda, lalaki man, o babae sa loob pa lamang ng mahigit dalawang buwan?

Dahil ba sila ay gwapo at maganda?

Oo... pero lahat naman kasi, mapa-loveteam o individual, mapa-artista o hindi ay talagang magaganda at gwapo.

Dahil ba sila ay bagong love team sa showbiz?

Hmm, kung ito ang dahilan, hindi ganoon kabilis dahil warm up pa lang ang two months kung tutuusin.

Dahil ba sa Dubsmash?

Siguradong nakatulong, dahil doon nagsimula ang character ni Yaya Dub

Dahil ba sa kanilang literal na 'LDR' relationship?

Pwede. Kasi talagang may chemistry sila maski "LDR" o Long Distance Relationship kung tawagin dahil sa split screen.

Lahat iyan ay totoo, pero naniniwala akong may mas malalim pa na dahilan kung bakit milyon milyon ang sumusuporta sa tambalan AIDub at iyon ay dahil sa:

VALUES

Values that we have forgotten.

Values that we have thrown away.

Values that lead us back to what is morally acceptable.

Ano-ano nga ba ang mga evident values, which we have seen so far in Eat Bulaga's Kalyeserye?

1. RESPECT FOR THE ELDERLY

"Ma! Ano ba!"

"Dun lang ako sa kaibigan ko, okay?"

"Tay, pwede bang wag mo muna ako istorya, busy ako 'di mo ba nakikita?"

Nakakalungkot isipin na ganito na ang pamamaraan ng pakikipagusap ng kabataan. Aminin man natin o hindi, madalang na natin marinig ang mga salitang "Po" at "Opo" kapag nakikipag usap sa mas nakakatanda. Nawala na din ang pagmamano bilang pagpapakita ng pag-galang.

Iyan ang ginagawang halimbawa ni Alden. Kung mapapansin sa Kalyeserye, ang AIDub ay nasa pangangalaga ng tatlong lola. Bawat galaw, bawat pagkikita, at bawat salita, hindi nila nakakalimutan ang mga ito bilang respeto na dapat natin ibalik o gayahin.

2. PATIENCE AND DETERMINATION

Gusto ng karamihan instant success, instant money, instant fame and fortune.

Lahat minamadali - yun bang ilang araw pa lang sa trabaho ay nagrereklamo na, hindi pa nabigay ang best pero naghahangad na ng promotion, or gusto yumaman pero hindi naman kumikilos.

This Kalyeserye teaches us that it takes a lot of patience, time and determination to succeed. Sabi nga, kahit ano pa yan, mararating mo din yan despite the obstacles "SA TAMANG PANAHOON".

3. RESPECT FOR WOMEN

I really admire how this show tries to lead us all back to how our women should be treated, as well as how women should act, dress up, and value themselves for them to be respected in return.

Remember, you don't need to show some skin to get the attention of a man. On the other hand, a man doesn't need to mistreat a woman just to get her attention. Just be yourself at kung talagang mahal ka, his priority will always be to protect and secure you at all cost.

4. GENUINE FEELINGS

We might have observed how the two stars of Kalyeserye show genuine or true feelings toward each other, mainly because they have no script from the very start. So lahat ng reactions nila, feelings at the moment, what to do and what to say are all natural kahit ano pang nagaganap sa segment.

This tells us that when dealing with people, hindi tayo dapat scripted. We should be genuine, showing who we really are while still being able to decide kung tama o mali ba ang sasabihin o gagawin natin para hindi tayo makasakit.

THINK. REFLECT. APPLY

Anong mga aral ang napulot mo sa Aldub?

Sa paanong paraan ka pwede maging magandang impluwensya tulad nila?

Is October the Month that HERO TV make its test broadcast? The Answer... Is a big NO..

.

Actually, August 1, 2005 nagsimula ang Test Broadcast ng HERO TV.. Noong mga panahon na iyan ay 16 Hours a Day lang ang kanilang Broadcast.. Isa sa mga unang Anime na umere sa HERO TV ay ang Mirmo de Pon at Gundam Seed.. Makikita rin sa HERO TV Blogspot Site ang mga ebidensya ng kanilang Test Broadcast at ang kanilang Signal Parameters.. Ang Formal Launch ay nagsimula naman noong November 11, 2015 sa pamamagitan ng Trade Launch dubbed as "H3 - Hataw Hanep HERO"

Naalala nyo pa ba ang competition ng dalawang noontime show na to nung 90's? Ang pagkakaiba nga lang nito sa ngayong panahon, friendly competition lang ang nangyayari sa kanila dahil wala pang nagyayari noong patutsadahan at matalik na magkaibigan ang APO & TVJ (if I'm not mistaken).

Yung TVJ, di pa sila as in trio kasi Sotto Brothers pa nun (Tito, Val & Vic) then si Joey De Leon. Marami-rami din sila daw nun and kasama rin nila sa show si Ricky Manalo (contemporary ni Joey noong araw sa mga radio stations ng ABS-CBN prior to this) pati si George Javier (kapatid ni

Danny ng APO). If you have a copy of Eat Bulaga's coffeetable book wherein it also features TVJ's first 5 years in showbusiness, andun yung pictures na magkakasama pa sila ng APO Hiking.[See Translation](#)

Good Day Kapuso!

In case of a signal interruption while you are watching any GMA or GNTV program, we recommend you do the following:

1. **Take a video of the incident** – take a video of GMA or GNTV while the signal is distorted / pixelated or while there is no signal. **Without removing the camera focus on the TV, switch to other channels, preferably local** (take the video during the program body and not during commercial breaks) then go back to GMA.
 - If you are a cable subscriber with set-top-box, include in the video the set top box.
2. **Send us the video** – Send it to us via Facebook chat on our page at <https://www.facebook.com/TVSignalReception>
3. **Provide us the information** – Inform us of your name and location, name of your Cable Provider, Account name, and contact number. Also please indicate the date and time of when the video was taken.

We would like to reiterate that DTTB transmissions of all networks are under TEST BROADCAST. Expect that there will be downtime, glitches and transmission interruptions without prior notice.

Nais naming ipabatid na ang lahat ng DTTB transmissions ay nasa TEST BROADCAST stage pa rin. Maaring magkaroon ng pagkaantala ng transmission, downtime o glitch nang walang paunang abiso.

My thoughts on CNNPH Analysis on MNP,

Good thing, Jing Magsaysay resigned his post from CNNPH, and some employees following his suit and the new exec from CNN Asia Pacific to assume their post (i forgot the name tho) plus, i hope their newscast names will change from redundant ones and remove some craps i.e. lifestyle shows HLN programs and even the eye candies i mean EMAJs and eye candy reporters.

Eto ang tanong mula sa kanila, kailan kaya mabubuhay ang Nine Media ang CNN brand, kailan kaya mawawala ang anino ng 9TV at higit sa lahat, kailan kaya makikita ang spirit ng dating Solar News sa CNNPH na News you can use at telling the stories of the filipinos?

I think this is a sign na mabubuhay ang CNNPH mula sa coma under the new administration.

Thoughts?

P.S. I watched some matinong lifestyle shows like Bogart and What I See minsan. Minsan lang ako nanonood.

Timothy John Liwanag Paragas The confab was organized by a "group of public television programmers and broadcasters." INPUT aims to gather TV professionals around the world to discuss and challenge the boundaries of TV.

The conference will follow a simple show-and-discuss conference format, and will feature 13 TV programs and films from 11 countries selected out of 79 programs presented at the INPUT in Tokyo.

Here is the gist: "The programs are also grouped into different topics like sexuality, racism, ethics and indigenous rights."

Paul Coles IMO, mas okay to kesa kalabanin nila yung dos ng head to head. Just look at SPS, hindi nila tinapatan yung format ng ASAP kaya nauungusan nila yung huli in terms of ratings. Sana after this movie block, yung papalit dito, sana i-lesser na yung mga dramas and more to comedy. Mahalaga ang petsang October 6 sa Guy and Pip fanatics. Sa araw na ito tradisyonal na ipinagdirawang ng mga tagahanga ang anibersaryo ng love team.

October 6, 1967, nang unang magkita sina Nora at Tirso sa Channel 5 studio sa Pasong Tamo. Pareho silang panauhin sa show ni Carmen Soriano na *Carmen on Camera*. Hindi sila nag-usap. Nagngitian lamang sila. Kinilig na si Nora kay Tirso nang araw na iyon, bagama't hindi niya pinahalata. Si Tirso naman ay bahagya lang napanin ang dalagita.

Pansin niyo ba na puro Blocktimers na lang ang laman ng TV5.. Mula umaga hanggang gabi? Magmula sa Disney, Boomerang, JIBtv's Amachan, Marvel Cartoons hanggang sa Jojo A. Tapos same thing with weekends.. Mas nagre-rely ngayon ang TV5 sa mga Blocktimers at Sport Programs nila dahil doon sila mas kikita.. so that, para next year ay makapag produced sila ng mga bagong shows, makapag license at franchise ng mga foreign shows to PHTV.. Masyadong malaki ang nawala kay Mr. MVP dahil na rin sa nagastos nito sa Bidding ng FIBA World Cup.. Kaya hanggang sa ngayon ay limited lang ang mga Original shows ng TV5..

John Uriel Cabarrubias I wish the QTV network will be relaunched and retool as a alternative channel for those youths (like me) who tired of asianovelas, noon time shows, low quality telenovelas. That channel should air animated cartoon show that is new, some anime, some U.S. TV shows (including news and public affairs shows from CBS News and NBC News and late shows) not dubbed in Filipino and keep Balitanghali as it was.

Ed Ching Sa ibang bansa sa Asya, hindi variety show kundi ang balita ang ipinapalabas tuwing tanghaling tapat. Sapagkat walang panahon ang mga tao doon na umaliw sa mga variety show. Tayo na lamang ang isa sa iilang mga bansa na may variety show sa pananghalian. Kaya isang malaking hakbang ang "Balitanghali" na gawing katanggap-tanggap ang pagpapalabas ng mga pinakahuling balita sa tanghaling tapat. Kudos sa inyong ika-10 taon ng pagbabalita![See Translation](#)

Ymman Jake Biaco As well as retaining staff reporters of GMA stations in Ilocos, Bicol, Bacolod, CDO, and GenSan. For me, their investment in these areas nasayang lang. When Balita Pilipinas was in Saturday primetime, doon talaga na-expose ang regional presence ng GMA which also led to expand in more areas just like what I have mentioned.

ILOILO CITY — Giant broadcast network GMA 7 scrapped its news and public affairs program in Iloilo City on Monday, laying off about 20 officers, reporters, cameramen and other staff.

Monday's scrapping of Ratsada 24 Oras comes seven months after the network laid off at least 80 employees and talents in regional stations in the Visayas purportedly under a "strategic streamlining" program.

Many of those laid off were regular employees of the network for about 10 years. They were told to attend an employees' general assembly Monday morning at the station in Barangay Tabuc Suba in Jaro District where they were informed of their retrenchment.

The laid off employees will still receive their salaries until December, according to one of those affected who spoke to the INQUIRER on condition of anonymity.

Among those laid off were staff personnel in the news gathering operations, including three reporters and their cameramen, technical engineers and other personnel.

The Iloilo station has been reduced into a satellite office with around 11 personnel for marketing and sales.

The retrenched employees have been granted each a separation package that includes "generous" bonuses, according to one of the affected employees.

In April, the network laid off employees in their stations in Cebu, Iloilo and Bacolod cities.

It had issued a statement then that the network was undertaking a "strategic streamlining of programs and manpower in its provincial stations to ensure business competitiveness."

The retrenchments came less than two weeks after GMA Network Inc. announced that its net profit for the three quarters of the year rose to P1.804 billion or 80 percent higher compared to the P1.001 billion recorded during the same period in 2014.

The broadcast network's net income for the third quarter of this year alone rose by 66 percent to P706 million from P422 for the same period last year, according to a report posted on the network's online news site GMA News Online.

The network expects its profits this year to reach P2 billion, above its projected target of P1.5 billion, according to the report.

The network is also enjoying a massive boost in ratings due to the phenomenal run of AIDub, the on-screen tandem of Alden Richards and Maine Mendoza on noontime variety show Eat Bulaga.

[#AdminOpinion](#): Today, PTV, GMA News TV and CNN Philippines made some pressing engagements to cover the majority of the arrivals of heads of government of APEC member economies.

I salute them.

However, tomorrow afternoon will mark the start of the Leader's Meeting and I doubt that free TV coverage will be materialized. Especially on GMA, where the Kalyeserye will take place and ABS-CBN's free channels, where they will just continue with their afternoon lineup.

They didn't much care about it than what they did to the Pope last January.

John Uriel Cabarrubias Yeah, I remember the QTV Funbox block promo back in a days.... And as well as "Just Joking", this show seems to contains some footages from "Just For Laughs" or others and insert the Filipino narrator to witness of practical jokes or pranks.

JEERS to AksyonTV 41 for snubbing certain events in favor of sports coverage.

SUPER JEERS to the Big 3 (ABS 2, TV5 and GMA 7) for being escAPECst (escapist) compared to what they did to the Pope.

As long as cable is concerned, ANC did a good job but the Turf needs to know if Bloomberg PH TV did carry it.

Jake Jacinto II At least, GMA News TV did the right job during this important event, otherwise it's strike 3 for them. And regarding on the "Big 3," they may have news advisories about APEC '15, but I think it's not enough. My opinion.

Ed Ching GMA News TV, PTV and CNN Philippines did justice for the free TV camp's coverage of APEC. In fairness, free TV wasn't that snobbish about serious coverages. Most people only think of free TV as the Big 3. With regards to TV 5, I suddenly lost all respect for Ma'am Luchi Cruz-Valdes' treatment of breaking news. Even their 92.3 News FM is mostly features oriented, and they don't seem to help those listeners who wanted AM-like news programming that have no access to AM radio receivers either due to location or convenience.

To viewers who own widescreen TVs, are you tired of watching TV shows in letterbox?

Here's a tip.

1. Check if your TV has the Zoom feature.
2. If yes, access the quick launch menu or TV settings. (It may vary on brand and model)
3. Stretch the image until it reaches the edges of the screen.

This applies for TV shows in that are letterboxed in 16:9 aspect ratio.

We recommend you to do this during the show since commercials tend to be set in different aspect ratios due to the material advertisers send to networks.

This is not recommended for movies as they may have a wider aspect ratio.

John Uriel Cabarrubias SkyCable Cebu Channel 35, It was intended to air lifestyle shows this late 2013 but been scraped later in 2014 because of the costs, lack of advertisers and laziness of the management from "AD Access Worldwide" (yes, they co-owned this channel). Also this channel was used for live coverage for Sinulog 2014. [Timothy John Liwanag Paragas](#) Wow, you wished PTV for clear and consistent reception like GMA and modern equipment (HD Cameras and Orad/VizRT) like ABS-CBN.

Well, I understand your sentiments as I am in favor of modernizing the network but you are not the only one that criticizes the Telebisyon ng Bayan.

Still the truth remains and hurts so bad: It's endless bureaucracy, thickness of barrier and lack of business sense that hinders them to compete with the mainstream channels.

LAST NIGHT sa StarStruck Live Elimination night: Nakapasok sina Klea Pineda, Elyson de Dios, Ayra Mariano at Migo Adecera sa Ultimate Final 4. Pero may isang twist na gumimbal sa lahat nang

nanood nang inanunsyo ni Dingdong Dantes na safe din sina Arra San Agustin at Jay Arcilla. Ibig sabihin, ito ay isang non-elimination night at buo pa rin ang StarStruck Ultimate Final 6.

NOTE: Huling nagkaroon ng non-elimination night noong October 9 noong Top 14 pa ang mga survivors.

tion. David Celdran will be hosting. He is a graduate of University of New York where he specialized in video production. Presently, he divides his time between teaching sociology at St. Scholastica's College Manila and reporting for Probe Team.

Battle of the Brains provides a competitive outlet for the elementary, high school and college levels throughout Metro Manila schools. Prize money amounts to P1.7 million. Ay naku, even after the launch of CNN Philippines, ANC still grabbing CNN sources just because of cutting costs of revenues to make even more overrated teleseryes and it could reduce their own credibility when it come to the news division.

If they can't stand it, they should merge into one channel!

Joseph Emmanuel Jacinto Actually, the only problem is that GMA relies so much on their veteran stars like Marian, Dingdong, Jennylyn, and Dennis, and the potential talents of their younger talents are not yet being developed, forcing some of GMA's wasted talents to move to other networks or agencies.

But let's just hope that GMA will give a project or two to the StarStruck Ultimate Survivors to excel and boost their talents.

John Uriel Cabarrubias Better to sell GMA Network to another local private firm and/or nationalize (or half-nationalize) it (but if there's a good governance). Then remove 60/40 foreign ownership limit so that ABC America can buy a minority state to also improve their originality of programming and quality, improve the management, and as well as launch a 2nd broadcast network either Citynet or new one for English programming.

After many years of being the home of the biggest sports content, particularly the unparalleled coverage of Ultimate Fighting Championship (UFC) to the delight of MMA fight fans in the Philippines which has gained a critical mass, and distributing the Balls channel nationwide, Creative Programs Inc. (CPI) has provided contractual notice that their sports agenda will move forward to another direction.

[#PhITV](#) Group Christmas Message:

Sa panahon ng Kapaskuhan, alalahanin natin ang mga tatlong bagay na ito.

MOVING ON - We have passed many trials and challenges due to our indifferences and conflicts. Yet, these are no forever. Rather, we must learn to move on and continue what should we have to do.

FORGIVE - Saying 'I am very sorry for what I have done. Please forgive me.' could be a difficult one. But after we realize everything to make truces and peace...only forgiveness will help to heal each other and to forget the past. Lastly;

START OVER AGAIN - As our process of healing begins, we should now look forward to our responsibilities that we have started. There will no boundaries, for we are the advocates towards change and to educate everyone.

This Christmas, let's MOVE ON > FORGIVE > START OVER AGAIN...these are the messages by the Christ Child in the humble manger of a silent night. As the days passed, before the sunset, we should heal our brokenness towards each other and to unite again our responsibilities.

A blessed and meaningful Little Christmas to all! God bless you.

[Timothy John Liwanag Paragas](#) (PART 1) Another year has come and gone, but before we enter the sweet 2016, the Turf looks back on the rollercoaster moments of GMA.

Strata 2000's near strikeout (January to November). GMA News TV nearly loses their unreliability towards the three committed news coverage for the year. GNTV drew fire for lacking the most coverage of five-day Papal Visit last January. On July 27, the same channel did nothing to cover the PNoy's last SONA — unlike her main channel — and to carry on with the regular programming. Last November, the APEC 2015 Summit was successfully covered on Strata 2000, despite of the main channel's apathy to cover.

Regional Network genocide (April and November). During the summer season, sans its seasonal station ID, four regional offices were closed on April: Bacolod, Cagayan de Oro, Ilocos and Naga City. The network justified the closure as a “strategic streamlining of programs and manpower in its provincial stations to ensure business competitiveness.” Not only the closure of offices but also Cebu and Davao's regional programming are also severely affected by the said decision. Seven months later, another regional office closes down but this time in Iloilo City.

Forgive and forget (May 10). Willie Revillame leaped back into TV action with Wowowin on that day but for viewers who have been victimized but have remembered him on his past hosting stints have chills of the spine as they have an instinct of repeating his antics. Originally, the taped show was purely block timer and aired at 3:30 p.m. every Sunday. But with the premiere of Sunday PinaSaya three months later, Wowowin finally moved to 2 p.m. time slot, became a co-production with GMA and raised up the numbers in the ratings game. Last October, the Court of Appeals ordered the arrest of Revillame after affirming the 2013 complaint in connection to the child abuse case in 2011. Nevertheless, his show won the Best Game Show on the PMPC Star Awards and himself won the Best Game Show Host (together with Luis Manzano).

Moral controversy galore (May 11 to present). Three teleseryes produced by GMA Entertainment TV Group stirred controversy on conservative groups. The first one, The Rich Man's Daughter was topbilled by Rhian Ramos, Glaiza

de Castro and Luis Alandy; the first Telebabad teleserye was seen as a complement to My Husband's Lover in 2013. The second replacement teleserye, My Faithful Husband (Dennis Trillo, Jennylyn Mercado and Mikael Daez), was tagged for infidelity. The third, under Afternoon Prime, Destiny Rose, portrayed by Ken Chan, is contested due to the sexuality of the protagonist.

TAG goes back to work (June 25). The 2014 case filed by 52 members of the Talents Association of GMA (TAG) was finally resolved by the National Labor Relations Commission (NLRC) and was finally reinstated as regular employees.

Timothy John Liwanag Paragas (PART 2)

AIDub you! (July to present). July 4, 2015 marked the introduction of Maine Mendoza, the Dubsmash Queen, as Yaya Dub to Lola Nidora (Wally Bayola) but on July 16 at 1:47 p.m., during the Eat Bulaga's segment of Juan for All! All for Juan!, Maine Mendoza accidentally met Alden Richards on the split-screen. Thus, the term "AIDub" was born and KalyeSerye replaced the Problem Solving portion.

Ever since the KalyeSerye regained the relevance of Eat Bulaga's 36-year broadcast, this affect the news programs over the network (including GMA News TV) include the recap of the KS during the entertainment segment. Other neighboring networks, except ABS-CBN, made the elements of a live soap opera parody an inspiration from motivational mnemonic on TV5 to a piece of satire on PTV. Yet, with the excessive spotlight over the couple, other exclusive talents began losing their opportunity to shine in their projects and lose their attention. One of such victim is Elmo Magalona; he moved out to the neighbor in order to join with his sister, Maxene.

Since September, advertising endorsements were offered over the couple and they somehow accepted it. This exponential acceptance envied ABS-CBN and thus, they deliberately edited and/or shortened out of jealousy.

On October 24, "Sa Tamang Panahon" concert at the Philippine Arena did not only break the viewership record for the year but also breaks the all-time record on Twitter with 41 million real and organic tweets. Days later, the phenomenal couple sprouted over on magazines (e.g. Yes!, Preview & Reader's Digest Asia), on international television (e.g. BBC & Bloomberg) and on social news sites like BuzzFeed.

Breaching bad (August-September). Following the prima facie of financial difficulty found on the preceding paragraphs, the decision of Gozon to call off Ramon S. Ang's deal for the network's minority interest last year drew the ire of the latter party to charge the network's management for estafa. Ang demanded to return PHP 1 billion down payment from Gozon and company and the latter responded a month later with the San Miguel Corporation CEO's decision to withdraw the complaint.

Wrong responsibility center (July to present). What does To the Top (a boy band search), Alamat (a children's show) and Dangwa (a morning drama) have in common? It was produced by GMA News and Public Affairs and not by GMA Entertainment Group. Such responsibility, in the eyes of its defenders, believed that the former had a good standing in finances and in goodwill than the latter.

From cowardice to comedic (August 2 and 9). Sunday All Stars waved the white flag on August 2 after realizing their cowardice of the show to compete against ASAP 20. A week later, the comedic Sunday PinaSaya was able to trump out the longest-running musical variety show. This show, produced by APT Entertainment (a subsidiary of TAPE, Inc), acts as a Sunday extension of Eat Bulaga with Jose Manalo, Wally Bayola and Alden Richards belong to the gang. The launch of the said show occurred at the growth stage of KalyeSerye.

End of Startalk (September 12). Startalk would have been 20 by October but on that day, the entertainment news and talk show finally took a bow with the look back of the show. Like the Buzz on the preceding ZG, the show ended due

to the change of provider and viewer's taste.

Return of Starstruck (September 14 to December 19). Despite of a fresh identity, Starstruck opened its sixth season after six years of waiting. This season marks the first feats that the show runs only on weekdays and runs as the first program for the Telebabad than on the traditional late night. However, the ratings were not satisfied as the rival's "Pasion de Amor" trumped them out.

A change of TAPE's two-course meal (September 21). When Ryzza Mae Dizon received a script and a small director's chair on her 10th birthday at the Ryzza Mae Show on June 12, a speculation concluded that a drama series from the producer, TAPE Inc., would be aired here. Three months later, the talk format was finally replaced and the drama was subtitled "Princess in the Palace." Marking the return of teleserye venture for the producer since Daisy Siete, the drama was also topbilled by Aiza Seguerra and Eula Valdez.

GMA gets a new home shopping block (November 30). The main network remained the only mainstream network that does not have a home shopping block to compete until that day. From then, Shop TV premiered as the last program for the broadcast day and is currently airing every weekday.

Beyond the bend for Barbie. The Half Sisters, the daytime drama after Eat Bulaga, reached more than a year as the first program of their Afternoon Prime. Topbilled by Barbie Forteza and Thea Tolentino, the teleserye won the Best Daytime Drama Series on the PMPC Star Awards, emulating the successful factor once hold by ABS-CBN's "Be Careful with My Heart" last year.

News correspondent departures. Throughout 2015, four news correspondents from Kamuning departed due to their new venture and/or other personal reasons: Claire Delfin, Hadji Rieta, Dante Perello and Michael Fajatin.

Institutional milestones. GMA made the year 2015 very memorable as they marked the 20th anniversary of its weekly comedy show, Bubble Gang and its late night news program, Saksi.

Impartiality vs stability. Former Ilocos Sur governor Chavit Singson and Sarangani representative Manny Pacquiao seek to buy their shares of the network last October but on December 9, Gozon rejected the offer as they are "focused on growing the business." Defenders see this as a way of protecting their integrity and impartiality from being influenced by politicians as the national election draws near.

Outlook for 2016

For 2016, GMA will still eye for credibility on the News and Public Affairs for covering the coming national polls. However, the coverage will certainly be separate between Channels 7 and 11. Financial stability will be improved for that year, as political ads will compose more percentage in revenue than its rival is.

Establishing sports division or re-establishing live-streaming will still give no attention for Gozon and associates but according to Business World, the network will venture into digital TV innovation. Such innovation should need increasing and continuing flow of revenue (by not considering the political advertisements) to maintain the safe transition.

Meanwhile, on the entertainment side, the afternoon drama "Wish I May" — named after a popular and successful love song by Alden Richards — will replace the veteran "The Half Sisters" this January. However, because of the immense popularity of the latte that gave the last extension, the upcoming teleserye topbilled by Miguel Tanfelix and Bianca Umali (BiGuel), would see it as downhill due to a ground of delay.

There are speculations online that the sequel of the early 2000s fantaserye Encantadia would revive after few years of abandonment. Although it sounds exciting, the costs of producing it would be problematic because it will cause layoffs of regional personnel, shutdown of its stations and relegation of their respective transmitter's status.

[Joseph Emmanuel Jacinto](#) MBS' Cebu station also occupied this studio compound when it was still broadcasting on Ch. 3 during the early to mid 80's. Many years after ABS-CBN Cebu moved to a bigger complex in Jagobiao, Mandaue City, the old studios were torn down in 2009 to give way for the construction of an I.T.-related college.

Dahil Bagong Taon, may mga paboritong animes na magbabalik sa Astig Authority!

Ang iconic na mecha anime na Voltes V ay muling mapapanood sa GMA. Balikan ang pagtatanggol ng mga Armstrong brothers na sina Steve, Big Bert at Little John, kasama sina Mark Gordon at Jamie Robinson, sa planetang Earth laban sa mga mananakop na Boazians pati na ang paghahanap nila sa kanilang nawawalang ama.

Magbabalik din ang isa pa sa kinagiliwang mecha anime noon, ang Daimos. Muling tunghayan ang pag-iibigan nina Richard Hartford at Erika sa gitna ng digmaan ng kani-kanilang mga planeta.

Bibigyang-bose pa ng mga pinakamaningning na Kapuso stars ngayon ang dalawang animes na ito.

Magbabalik din ang mga animes na hango sa mga popular na video games kagaya ng Virtua Fighter at Sonic X.

Abangan ang lahat ng mga iyan ngayong 2016 sa mas pinalakas at nag-iisang GMA Astig Authority!

16 YEARS AGO TODAY:

ABS-CBN aired the historic TV special "ABS-CBN Worldwide Celebration of the New Millennium" with the grand celebrations held at the Rizal Park in Manila and Quezon City Memorial Circle in QC. This special also marks the unveiling of the new look of ABS-CBN as well as its new "Millennium Overture" station ID depicting the past logos of ABS-CBN and the transformation of the 1986 logo to the present logo, thus it was dubbed as "Out of the box... into the new millennium." The wordmark for ABS-CBN was set in Rotis Semi Serif font from 2000 to 2013, when ABS-CBN changed its wordmark in 2014.

Joseph Emmanuel Jacinto I know, that's why, what I'm asking is that if GMA also used this old version in the 80's and 90's.

Joseph Emmanuel Jacinto Of course, that's the current version. Looks like GMA is putting more modernism when it comes to New Year and Christmas songs the network plays.

Pio Dose **Joseph Emmanuel Jacinto** siguro may sarili silang composition, nauna pa dyan ung theme soundtrack ng Unang Balita na sarili nilang gawa kumpara sa mga naunang soundtrack na foreign ang gamit noon[See Translation](#)

John Uriel Cabarrubias I don't have it, but basically they show promo loops then the farewell message video that the Ball Channel post the same video on FB then appears the sign off card, that's it.
